

Lessons Learned Information Sharing

www.LLIS.gov

I'm writing to announce the launch of *LLIS.gov*'s new School Emergency Planning page. This page houses a wealth of resources on the topic of School Emergency Planning, including after-action reports, documents, templates, plans, related links, recent news, upcoming conferences, and more. The page can be accessed [here](#).

LLIS.gov encourages you to submit your own school-safety-related plans, reports, or other documents to schoolsafety@llis.dhs.gov.

Sincerely,

John L. Rabin

Program Director
